ABOUT

Gymspire Academy is an established gymnastics organisation and has been hosting gymnastics competitions since 2018. Gymspire has now teamed up with Inspiring Events and together we're enhancing and delivering dynamic gymnastic competitions. Our competitions are open to all clubs and gymnasts at recreational level. Our aim is to provide recreational gymnasts with a fair competition platform, allowing them to compete alongside peers who are working towards similar skill levels. Within this pack you will find all the details you need to participate in our competitions.

DATE: Saturday 15th & Sunday 16th November 2025

VENUE: Weald of Kent Grammar School

ADDRESS: Tudeley Ln, Tonbridge TN9 2JP

ENTRIES OPEN: Monday 18th August 2025

ENTRIES CLOSE: Sunday 21st September 2025

ENTRY COST: £27 per gymnast

THEME: Our Winter Wonderland Competition is Christmas themed! We encourage all participants to wear Christmas based accessories (tinsel, glitter etc)

DAYS/TIMINGS: We plan for the music floor routines (emerald, diamond & rose quartz levels) to compete on the afternoon of the Saturday. Strip floor routines (amber to amethyst) will compete on the Sunday. Clubs will receive the running order, complete with gymnasts' round times, at least two weeks before the competition date. This round time includes warm-up, routine and the presentation.

WHO CAN ENTER?

Our competition is for:

All children aged between 3 to 16yrs.

Children must **not** be part of an elite club.

MAG & WAG gymnasts cannot be entered to this competition.

Please see the entry requirements for each level.

FIRST TIME ENTERING?

Is this your first time entering our newly structured competition?

NEW LEVELS & STRUCTURE EXPLAINED

Our competition has undergone a transformation featuring themed levels inspired by various crystals. The levels, from easiest to most challenging, include Amber, Ruby, Sapphire, Amethyst, Emerald, Diamond and Rose Quartz.

Participants in this competition will compete in the same level for both floor and vault routines. Specific guidelines for these routines are available on pages 4 and 5 including bonus moves.

Gymnasts aim for a certain score, called the "move up score." To reach this, they need to score a set total across both the floor and vault exercises. If they succeed, they earn a crystal and move up to the next level for the next competition.

Gymnasts will compete against other gymnasts on the same level routine and of a similar age. We will place gymnasts in each group from 6th - 1st place.

WHAT LEVEL SHOULD I ENTER MY GYMNASTS?

On the page below (page 3) you will find the specific entry level requirements which includes ages for each routine and the maximum amount of hours they train per week to be able to compete in each category.

Looking at the criteria for both floor and vault we advise entering your gymnasts on a level which challenges them and isn't too easy for their ability. Any gymnasts entered onto a level below their ability could risk that gymnast being disqualified.

Gymnasts may compete in a higher level to the number of hours they train but not in a lower level. For example, a gymnast trains 2 hours per week but wants to enter Amethyst is acceptable. Video routines (up to Amethyst) are available to view on our website www.inspiringevents.co.uk.

MOVE UP SCORES

Having successfully achieved the total 'move up score' we will award crystals out on the day of the competition. It is the clubs responsibility to track the levels and ensure that upon achieving the 'move up score' the gymnast moves up to the next level at the next competition.
